

# JULY 1-5, 2023

A Fourth of July in Alabama that will change your life  
*at Caritas of Birmingham*

Come to Alabama, and be in the presence of the Queen of Heaven, July 1–5, 2023, in when She appears to Medjugorje visionary Marija Lunetti, to receive graces, blessings, and healing of hearts.

The Holy Virgin Mary appears physically to Marija. Marija told the founder of Caritas of Birmingham, that she sees Our Lady as we see another person. Marija can speak to Our Lady, touch Her, hear Her voice. Marija told the founder of Caritas that the Medjugorje apparitions are the last apparitions on earth. When the apparitions of Medjugorje cease, Our Lady will not appear again in this way, like Lourdes and Fatima.

The founder of Caritas received a private message from Our Lady, through Marija in 1986, in which Our Lady affirmed that the same conversions happening in Medjugorje would be able to take place here, in Alabama. Since 1988, there have been over 200 apparitions at Caritas through Marija. The grounds are sanctified, by Our Lady Herself, with thousands of miracles and conversions. Tens of thousands of pilgrims have attended these apparitions.

Our Lady came to the world as a Mother to heal a broken world. Countless souls have had their prayers answered or have been given a divine peace about their problems by pilgrimaging to the site, and many have testified to the life-changing grace received from the holy site in Alabama.

Invite all to come to Alabama July 1–5, 2023 to the event that will change you, your family, and our Nation.
