THE PICTURE ON THE COVER OF THIS booklet is of The Field at Caritas, Alabama, where Our Lady has appeared to Marija Lunetti, visionary of Medjugorje, many times. The first time was on November 24, 1988, Thanksgiving Day, and Our Lady gave the message: **“I invite you to live my messages. I am here to help you! I will intercede for you to God for all your intentions.”** Our Lady, on May 31, 1995, in a message to the Founder of Caritas, his family, and the Community of Caritas, commissioned specifically the Caritas Community as Her instruments. Its mission is to aid Our Lady in spreading Her messages throughout the whole world.

**Medjugorje is approved by
Sensus Fidelium, which is defined as
“The Sense of the Faithful.”
Hundreds of millions of people across
the globe believe.**

The Church does not have to approve the apparitions. The Church can do as She did with the apparitions of Rue du Bac in Paris and the Miraculous Medal. The Church never approved these apparitions. She gave way to the people’s widespread acceptance of the Miraculous Medal and thereby the Apparitions to St. Catherine. Sensus Fidelium (Latin, meaning “The Sense of the Faithful”), regarding Medjugorje, is that the “sense” of the people says that “Mary is here (Medjugorje).”

Medjugorje

The Story in Brief

A VILLAGE SEES THE LIGHT is the title of a story which “Reader’s Digest” published in February 1986. It was the first major news on a mass public scale that told of the Virgin Mary visiting the tiny village of Medjugorje, Bosnia-Hercegovina. At that time this village was populated by 400 families.

It was June 24, 1981, the Feast of John the Baptist, the proclaimer of the coming Messiah. In the evening, around 5:00 p.m., the Virgin Mary appeared to two young people, Mirjana Dragičević* and Ivanka Ivanković*. Around 6:40 p.m. the same day, Mirjana and Ivanka, along with four more young people, Milka Pavlović*, the little sister of Marija, Ivan Ivanković, Vicka Ivanković*, and Ivan Dragičević saw the Virgin Mary. The next day, June 25, 1981, along with Mirjana, Ivanka, Vicka and Ivan Dragičević, Marija Pavlović* and Jakov Čolo also saw the Virgin Mary, bringing the total to six visionaries. Milka Pavlović* and Ivan Ivanković only saw Our Lady once, on that first day. These six have become known as and remain “the visionaries.”

These visionaries are not related to one another. Three of the six visionaries no longer see Our Lady on

* Names at the time of the apparitions, they are now married with last names changed.

a daily basis. As of April 2023, the Virgin is still appearing everyday to the remaining three visionaries; that's well over 17,769 apparitions. This count is each day for all the visionaries together in the apparitions. The visionaries have been separated for more years than together, which means the number is minimum 30 years \times 3 visionaries who still see Our Lady daily being separated during apparition time.

The supernatural event has survived all efforts of the Communists to put a stop to it, many scientific studies, and even the condemnation by the local bishop; yet, the apparitions have survived, giving strong evidence that this is from God because nothing and no one has been able to stop it. For over 41 years, the apparitions have proven themselves over and over and now credibility is so favorable around the world that the burden of proof that this is authentic has shifted from those who believe to the burden of proof that it is not happening by those opposed to it. Those against the apparitions are being crushed by the fruits of Medjugorje — millions and millions of conversions which are so powerful that they are changing and will continue to change the whole face of the earth.

Our Lady's Formula For Victory: Pray, Pray, Pray!

*The following booklet contains information which will form in your heart a whole new understanding and new perception of Medjugorje and Our Lady's plans. It was written after prayer to the Holy Spirit and it must be read **only** after praying to the Holy Spirit. Much more can be understood than what is written. Some areas are left purposely open for the Holy Spirit to speak to you in a way to make you understand. What is written here was understood in the heart but difficult to get on paper. It will show you the profoundness of just one simple message (March 25, 1993) and a whole theology of the messages is exposed. It should be read slowly and through prayer to grasp all that the message holds for us.*

Many have known about Medjugorje, even gone there, and view it as a beautiful experience, even life-changing, etc., but do not understand its depth. However, these questions must be asked, “*What really is happening?*” “*What is the reason for all this going on for so long?*” Some explain: Our Lady is saying the same thing as past apparitions. We state: While She is repeating what She said in

past apparitions, Our Lady also is saying inconceivably more. Our Lady has been urging, inviting, and coaxing us along for years, training us for a reason. In the beginning of the apparitions, She told the visionaries many times how to act.

November 9, 1981

“...Do not provoke anybody. Be polite with everybody.”

Our Lady wanted to mold the visionaries and change them in order to be the first witnesses of Her plans. She even showed them how to stay out of conflicts.

February 12, 1982

“Be more calm, more poised. Do not take sides with other children. Be agreeable, well mannered, pious!”

Our Lady would correct them, telling them satan wanted to divide them by making them argue. He would do anything to succeed in bringing about disunity.

1983

“...The devil makes a great effort to infiltrate among you, at all costs.”

She tells them to be closely united and remain together so that satan will find no room among them in which to dwell and cause disorder. She wanted to guide them on a solid path.

February 21, 1982

“Be together, do not argue, and do not be disorderly. My angels, I will make you attentive. I will guide you on a sure way.”

We know salvation is the sure path, but is Our Lady just telling the visionaries the sure way and how to behave only for themselves or for others as well? This was a **first stage**, to first teach the six visionaries how to witness, of a three stage plan in Medjugorje. The visionaries were being taught by Our Lady to be Her first witnesses. Within three years Our Lady had sufficiently formed the visionaries, enabling Her to begin a **second stage**. Our Lady started speaking messages for the **parish**, saying She wished to lead them, just as the visionaries had been led and guided in spiritual formation and conversion, to be the first witnesses of Her three stage plan. The first messages for the parish was:

March 1, 1984

“Dear children, I have chosen this parish in a special way and I wish to lead it. I am guarding it in love and I want everyone to be mine...”

Our Lady did not end the first messages to the parish with what has become Her usual words of **“Thank you for having responded to my call,”** rather, the second weekly message to the parish began with those words:

March 8, 1984

“Thank you for having responded to my call. Dear children, you in the parish, be converted. This is my other wish...”

This was to make a point, as well as to begin the weekly messages, clearly showing Medjugorje was entering into its **second stage**—the stage of spiritual formation of the parish. Our Lady defined what She wanted in this **second stage**. In the same March 8, 1984 message, Our Lady then revealed to them why She wished them to convert, which was for the preparation for the **third (future) stage** of Her plan.

March 8, 1984 (message continued)

“...That way all those who shall come here shall be able to convert.”

Just as with the visionaries, She taught them, schooled them, disciplined them, urged them to be holy and, most of all, implored them to be united.

April 12, 1984

“Dear children, today I beseech you to stop slandering and to pray for the unity of the parish, because my Son and I have a special plan for this parish...”

After chiding them the week before for listening to the messages only out of curiosity, Our Lady tells them as a schoolteacher would:

May 10, 1984

“I am speaking to you and I wish to speak further. You, just listen to my instructions!”

She let the parishioners know when She was happy with them as She did with the visionaries.

May 17, 1984

“Dear children, today I am very happy because there are many who want to consecrate themselves to me...”

The **first stage** involved the spiritual formation of the visionaries, after a period of guiding them and molding them. The **second stage** involved the parish. After a period of molding the parish, Our Lady told them to prepare for the next level, a **third stage**, and to be ready to be witnesses to convert others through love.

June 6, 1985

“Dear children, during these days people from all nations will be coming into the parish. And now I am calling you to love: love first of all your own household members, and then you will be able to accept and love all who are coming...”

Our Lady was preparing to put a “call” out to the world. Up until that time, Our Lady had formed those in the parish in this **second stage** as She had the visionaries through the **first stage**. Things were now set for the **third stage**, which was to witness to the outside world and to all those who would come to the parish to inherit all the messages for themselves. Just as the visionaries had done for the parish, the parish was to do for the world. Marija said at first the visionaries thought the messages were for them, then they thought they were for the parish, and now they understood they are for the

world. These **three stages** are important to help in understanding how big this plan of Our Lady is for all of us, once we accept Our Lady's invitation. By accepting Our Lady's call, we are adopted into the parish and called to participate in Our Lady's plans, which will be fulfilled through the visionaries, through the parish, and through us—a constantly growing membership of the parish to convert the outside world.

In the **third stage**, Our Lady tells us She wants us to go to the whole world and be carriers of peace to the world.

July 25, 1990

“...I invite you to become carriers and witnesses of my peace to this unpeaceful world. Let peace rule in the whole world, which is without peace and longs for peace...”

With the transition of weekly messages to monthly messages, we were well into this **third stage** and understood that the messages have a much broader reach than just the parish.

The March 25, 1993 message, even though, seemingly, a very simple message, shows the profoundness to be discovered and the depth of hidden wisdom from Wisdom Herself. We know the (first stage) **visionaries** are the heart of Medjugorje (messages) and that the (second stage) **parish family** were examples of peace, and (the third stage) **those who came or accepted Our Lady's call** from the tiny village were the carriers of peace to the whole world. Remarkably, Our Lady's March 25, 1993 message, not only shows the three stages of Her plan, but that also satan has paralleled Our Lady's plan with his own three stage plan. Amazingly, we can clearly see the parallel of both these three stages in the following monthly message.

March 25, 1993

“Dear children, today like never, I call you to pray for peace; for peace in your hearts, peace in your families, and peace in the whole world, because satan wants war, wants lack of peace, wants to destroy all which is good. Therefore, dear children, pray, pray, pray. Thank you for having responded to my call.”

satan always counters God’s plan with his own. For instance, when Our Lady’s popularity and devotion increased through the 1980s, satan countered with his own Madonnas, whose popularity and devotion from the world also greatly increased in the same period of time, promoting every sort of evil; countering Our Lady who promotes every sort of good. The vocal rock singer, Madonna, best exemplifies those traits which are opposite from those

of Our Lady. Her popularity greatly increased in the early 1980s, paralleling that of Our Lady's.

This 25th message also exposes satan's counter plan. **his three stages: first—wanting war, second—wanting lack of peace, and third—wanting to destroy all that is good.** The spiritual callings of both Our Lady and satan are contained in the March 25th message. The physical aspect is Our Lady's plan of the past happenings, the present war, and the involvement of the whole world. The explanation of Our Lady's and satan's goals are contained in the July 31, 1986 message:

July 31, 1986

“Dear children, hatred gives birth to dissensions and does not regard anyone or anything. I call you always to bring harmony and peace. Especially, dear children, in the place where you live, act with love. Let your only instrument always be love. By love turn

everything into good which satan desires to destroy and possess. Only that way will you be completely mine and I shall be able to help you. Thank you for having responded to my call.”

The three stages in the following graph exposes the three parallels from Our Lady’s March 25, 1993 message, which Our Lady wants, to the three opposing parallels which satan wants, and what to do in each stage for Our Lady to prevail.

This graph, at first, may not be clear to you, but if you read it several times, and with prayer to the Holy Spirit, it should become clear and open up your eyes to many, many things, even things not written here.

Message of Our Lady of Medjugorje, March 25, 1993

“Dear children, today like never, I call you to pray for peace; for peace in your hearts, peace in your families, and peace in the whole world, because satan wants war, wants lack of peace, wants to destroy all which is good. Therefore, dear children, pray.....pray.....pray. Thank you for having responded to my call.”

1st Stage

Our Lady’s Plans:

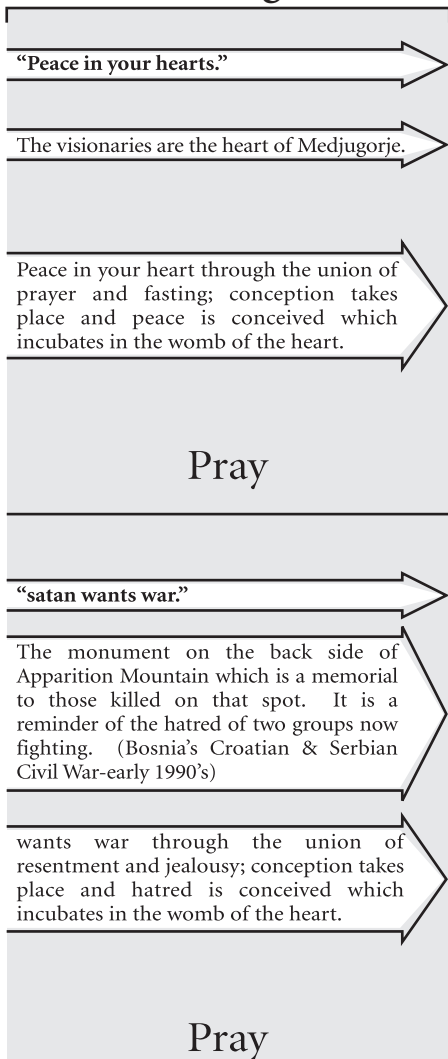

1. THE INVISIBLE FROM THE MARCH 25, 1993 MESSAGE.
2. THE VISIBLE REGARDING THE MARCH 25 MESSAGE.
3. THE VISIBLE AND INVISIBLE DEFINED IN THE JULY 31, 1986 MESSAGE.

For Our Lady’s victory:

satan’s plans:

1. THE INVISIBLE FROM THE MARCH 25, 1993 MESSAGE.
2. THE VISIBLE REGARDING THE MARCH 25 MESSAGE.
3. THE VISIBLE AND INVISIBLE DEFINED IN THE JULY 31, 1986 MESSAGE.

For satan’s defeat:

“Dear children, hatred gives birth to dissensions and does not regard anyone or anything. I call you always to bring harmony and peace. Especially, dear children, in the place where you live, act with love. Let your only instrument always be love. By love turn everything into good which satan desires to destroy and possess. Only that way will you be completely mine and I shall be able to help you. Thank you for having responded to my call.”

2nd Stage

“Peace in your families.”

The Parish of Medjugorje.

By not entering into issues and useless discussions or even thinking or brooding over them about the past or even present; rather praying and fasting. Peace incubates and eventually gives birth to holiness. The tiny Parish of Medjugorje was an instrument of peace for many families, causing peace to be conceived through prayer and fasting, thereby incubating peace and giving birth to holiness.

“wants lack of peace.”

The war in Bosnia

By arguing and entering into issues, useless discussions, and thinking and brooding over past or even present ones, inflaming resentment and jealousy. Hatred incubates and eventually gives birth to dissension. The tiny area of former Yugoslavia is the instrument of hatred for many individual hearts. Conceiving past, present resentments, and jealousies incubates hatred, giving birth to dissension.

Pray

3rd Stage

“Peace in the whole world.”

Those who came from all over or who responded to Our Lady’s call were carriers of the peace of Our Lady to the whole world.

Once holiness is born, love prevails and rises above causes and issues and regards everyone and everything without becoming entangled in the world and its issues. Holiness’ only instrument is love.

Pray

“wants to destroy all which is good.”

The situation in Bosnia was so volatile, it was on the verge of drawing the whole world into it. The Pope has stated all of the European civilization is in a grave crisis

Once dissension is born, harmony cannot prevail. Causes and issues sink man to have no regard for anyone or anything. Hatred becomes his instrument to destroy and possess in the world.

Pray

Each stage needed prayer and still does. Then and now the visionaries need prayers, the village of Medjugorje need prayers, and those of us who have responded need prayers, so that through all three, the plan will continue to work for millions still waiting for conversion. This is another great mystery in this March 25th simple message. Not only does Our Lady **define the three stages** of Her plans and satan's three stages and parallel with the visionaries, the parish, and us, but now gives us light **why**. She says in several monthly messages to **“Pray, Pray, Pray.”** “Pray” is for **each stage** and is critical for Our Lady's plans to continue. When we respond and do this, Our Lady explains Her joy. When large numbers were at their peak, pilgrimaging to Medjugorje and everything in the **three stages of Her plan** was working, She said:

August 14, 1989

**“...your Mother is ‘happy,’ ‘happy,’
‘happy’ to be with you and to see you
in such large numbers...”**

This is a **coronation** of each stage. Our Lady was **“happy”** the visionaries were responding, **“happy”** the parish was responding, **“happy”** those coming were responding by carrying Her plans to the world. The visionaries, the parish, and those coming were a tremendously powerful working machine for conversion in the world, and She crowned each stage with Her joy with the words **“Happy,” “Happy,” “Happy;”** an awkward statement until you understand the hidden wisdom in why Our Lady said it. However, within a short 27 months, the whole Medjugorje Movement conversion machine had responded so poorly that Our Lady, for the first time since the beginning of the weekly and monthly messages, did not even thank us for responding to Her call. All She, Our Lady, could say,

desperately and sadly, was pray for all three stages to begin responding to Her plan again. Sadly, so sadly...all the monthly message said was:

October 25, 1991

“Dear children...Pray...Pray...Pray.”

Marija was asked by Fr. Slavko if she was sure Our Lady did not say “*Thank you for having responded to my call.*” Marija confirmed that Our Lady did not. None of us understood what it meant...but when war broke out in Bosnia and no one was going to Medjugorje, all three segments of Our Lady’s plan scattered like chaff in the wind, we know...sadly, we know... We, here in community, openly repent all the times we have been short in living the messages which contributed to stopping this giant momentum of conversion, and we ask all to firmly commit to pray for all **three stages** of Medjugorje, that we again are able to make Our Lady happy; that what She built, and where

we failed, be “**rebuilt**,”* so that Her Immaculate Heart will gloriously, deservedly, triumph as the Queen of Peace. A large portion of daily prayer should be devoted for Our Lady’s plans. We **pray, pray, pray** for you to join many others in this intention.

One more remarkable thing about the March 25, 1993 message is that this booklet was begun on March 23 without any knowledge about these three stages, only knowledge about Our Lady’s past messages. It just flowed out of the heart like a river. Putting it on paper was another matter. The only thing added was the March 25, 1993 message and the chart detailing the message, which was given as this booklet was written. It serves as confirmation of the **three stages** of Medjugorje which had already been put down on paper. Many times we have written something of which Our Lady, a few days later,

* The war ended in 1994 and since that time, some have pilgrimaged to Medjugorje, but satan’s actions still hinder people from going to Medjugorje through “fear” of traveling because of 9/11 and other reasons.

says in a message. During this time of grace, about which Our Lady has spoken, we have not only faith but proof that She will really guide those who desire and pray for it.

January 25, 1993

“...I am with you, and I guide you into a new time, a time which God gives you as grace, so that you may get to know Him more...”

In the Peace of Our Lady,
A Friend of Medjugorje

About the Witness

Many who will read these books have been following the writings of a Friend of Medjugorje for years. His original and unique insights into the important events of our day have won credence in hundreds of thousands of hearts around the world, with those affecting others, thereby, touching into the millions. His moral courage in the face of so many leaders caving in to the pressures of a politically correct world is not only refreshing, but, according to tens of thousands of written testimonies over 35 years, has helped to strengthen deeply those who desire to live the fullness of their Christian faith. His insights have repeatedly proven prophetic, having their source in the apparitions of the Virgin Mary in Medjugorje. Deeply and personally influenced by the events surrounding Medjugorje, he gave himself to the prayerful application of the words of the Virgin Mary into his life. He has

spoken all over the world on Our Lady's messages and how to put them into everyday life. He came to understand that Our Lady was sent by God to speak to mankind in this time because the dangers man is facing are on a scale unlike any the world has ever known since Noah and the flood. He is not an author. He is a witness of what Our Lady has shown him to testify to—first, by his life—secondly, through the written word. He is not one looking in from the outside regarding Medjugorje, but one who is close to the events—many times, right in the middle of the events about which he has written.

Originally writing to only a few individuals in 1987, readership has grown well into the millions in the United States and in over 130 foreign countries, who follow the spiritual insights and direction given through these writings.

When asked why he signs only as “a Friend of Medjugorje,” he stated: be built on a personality. I prayed that if it was God's desire for these writ-

ings to be inspired and known, then He could do it by His Will and grace and that my will be abandoned to it.

“I have never had an ambition or desire to write. I do so only because God has shown me, through prayer, that He desires this of me. So from the beginning, when I was writing to only a few people, I prayed to God and promised I would not sign anything; that the writings would have to carry themselves and not be built on a personality. I prayed that if it was God’s desire for these writings to be inspired and known, then He could do it by His Will and grace and that my will be abandoned to it.

“The Father has made these writings known and continues to spread them to the ends of the earth. These were Our Lord’s last words before ascending: ‘Be a witness to the ends of the earth.’ These writings give testimony to that desire of Our Lord, to be a witness with one’s life. It is not important to be known. It is important to do God’s Will.”

For those who require “ownership” of these writings by the ‘witness’ in seeing his name printed on this work in order to give it more credibility, we, Caritas of Birmingham and the Community of Caritas, state that we cannot reconcile the fact that these writings are producing hundreds of thousands of conversions, and will easily be into the millions, through God’s grace. His writings are requested worldwide from every corner of the earth. His witness and testimony, therefore, will not take credit for a work that, by proof of the impact these writings have to lead hearts to conversion, has been Spirit-inspired, with numbers increasing yearly, sweeping as a wave across the ocean. Indeed, in this case, crossing every ocean of the earth. Our Lady gave this witness a direct message, through the Medjugorje visionary, Marija, and part of what Our Lady said to him was to “...witness not with words but through humility...” (Oct. 6, 1986) It is for this reason that he wishes to remain simply, “A Friend of Medjugorje.”

In order to silence the voice of this witness, darkness has continually spewed out slanders to prevent souls from reading his convicting and life-changing writings. For if these writings were not so, darkness would ignore them or even lead people to them. But Jesus promised persecution to all those who follow Him, and the same will be to those who follow His Mother. “If they persecuted me, they will also persecute you.” John 15:20

As a witness in real time of Our Lady’s time on earth, his witness and writings will continue to speak—voicing Our Lady’s Way to hundreds of millions not yet born—in the centuries to come.

THE QUESTION MUST BE ASKED, “WHAT REALLY is happening in Medjugorje?,” “What is the reason for the apparitions lasting for so long?” Some explain: “Our Lady is saying the same thing as past apparitions.” We state: “While She is repeating what She said in past apparitions, Our Lady is also saying inconceivably more.” Our Lady has been urging, inviting, and coaxing us along for years, training us for a reason. Fr. Jozo has said, “Medjugorje is always bigger than you think it is.” Enter more fully into the mystery of Medjugorje through this booklet and begin to understand the greatness of the call to participate with Our Lady in this special time for the salvation of mankind. The reading of this booklet will illuminate insights and surprise you as to how big Our Lady’s plans are.
